FORM OF TENDER

Date: _____

Tender No: AGC-TWK/CTC/001/2025

Tender Name: Prequalification and Framework Agreement for the Supply and Delivery of Pharmaceutical Products – Cardiothoracic Centre

Having examined the tender documents including all addenda, I/We, the undersigned, offer to supply and deliver the pharmaceutical products that will be awarded on a need basis under a framework contract for the period of six (6) months, at the unit prices quoted in our Financial Submission.

We acknowledge that this tender does **not constitute a commitment to purchase** any specific quantities and that supply will be based on actual orders issued throughout the year under the framework agreement.

We undertake, if prequalified and awarded the contract, to deliver the products in accordance with the terms and conditions specified in the tender documents.

We understand that AGC Tenwek Hospital is not bound to accept the lowest or any tender submitted.

By participating in this tender, we understand and agree that:

1. The contract awarded will serve as authorization for opening the necessary accounts with AGC Tenwek Hospital, should the contract be awarded to us. This will replace the need for separate account opening forms or processes.
2. All transport charges for the delivery of pharmaceutical products will be borne by the supplier. The supplier is responsible for arranging, transporting, and bearing the costs associated with the delivery of the products to the Hospital's designated location.
3. The Supplier shall ensure that all pharmaceutical products are delivered in compliance with relevant health and safety regulations. The Supplier shall be responsible for any damage or loss arising from non-compliance with such regulations.
4. Payments for the supply of pharmaceutical products will be made on a credit basis. The exact credit period will be agreed upon and documented in the final contract following the award of the tender
